Exhibitor Information

The conference is hosted by members of the six statewide code expert organizations in Virginia. The training and networking opportunities provided will increase the knowledge of attendees in a variety of areas. We are anticipating 300 or more attendees in the areas of engineers, architects, contractors, permit technicians, building officials, fire professionals, code enforcement inspectors and others who are interested in codes and code development.

Conference attendees are always eager to see displays of products and services that enhance their skills and knowledge. Therefore we are inviting you to be a part of this conference. As an exhibitor you will have the opportunity to display your products or services and network with attendees.
